Twelve-term Texas Congressman, Presidential candidate, and #1 u003ciu003eNew York Timesu003c/iu003e bestselling author Ron Paul returns with a highly provocative treatise about how we need to fundamentally change the way we think about America's broken education system in order to fix it.u003cbr /u003eu003cbr /u003eWhether or not you have children, you know that education is vital to the prosperity and future of our society. Yet our current system simply doesn't work. Parents feel increasingly powerless, and nearly half of Americans give our schools a grade of "C". Now, in his new book, Ron Paul attacks the problem head-on and provides a focused solution that centers on strong support for home schooling and the application of free market principles to the American education system. Examining the history of education in this country, Dr. Paul identifies where we've gone wrong, what we can do about it, and how we can change the way we think about education in order to provide a brighter future for Americans.
